Carole E. Wasko  
Syracuse City School District  
Central Offices  
725 Harrison Street  
Syracuse, New York 13210

Dear Ms. Wasko:

I received your second request for MSDS forms for the products you have purchased from us. Your first request failed to give us a list of the products you have and the secretary in charge of Safety Data Sheets at that time called you to ask for the list.

I went through our invoice files and couldn't find one from you dated anytime this year. A list of the products will therefore be necessary for us to fulfill your request.

Some companies and school systems have started requesting MSDS forms on their purchase orders. The sales staff here looks for these and gives me copies of the purchase orders with these requests. I can immediately send MSDS forms to these people (before they get the materials usually). This is just a suggestion for the future.

I'm sorry I was unable to find the records of your purchases. Please feel free to call us on our toll free number with your list. I will send out the forms as soon as I hear from you again.

Sincerely,

Kathleen M. Siler  
Secretary, Technical Services

# MATERIAL SAFETY DATA SHEET

Product: Alligator Glazes Product Code: LT Series (1)  
Manufacturer's Name: American Art Clay Co. Inc.  
6060 Cutford Road  
Indianapolis, IN 46254

Information Number: (800) 374-1600 Emergency Number: (88) 374-1600  
Section I - Product Identification

Product Name: Alligator Glazes Lead Free Product Class: Ceramic Glaze Product Size: 16 oz.

I.T 13, 15, 17, 30, 32, 34, 113, 132, 147, 161, 166

## Section II - Hazardous Ingredients

Water	7732-18-5
Sod. Borosilicate Frit	65997-18-4
Clay	1332-58-7
Flint	14808-60-7
Gum	9004-32-4

No reportable quantities of hazardous ingredients are present.  
No hazardous ingredients. Carries the "AP" Seal. Labeling conforms to ASTM D4236.

## Section III - Physical / Chemical Characteristics

Boiling Range: NA	Specific Gravity (H2O=1): Less than 2
Vapor Density: NA	Evaporation Rate: NA
Coating V.O.C.: NA	Material V.O.C.: NA
Appearance and Odor: Liquid	

## Section IV - Fire and Explosion Hazards Data

Flash Point: NA	Method Used: NA
Flammable Limits In Air by Volume: NA - Lower	NA - Upper
