Re: Material Safety Data Sheets: 811.

Dear Customer:

Since customer safety is one of our chief service goals, we believe it's important to provide the appropriate health, safety and environmental protection information needed to properly handle and utilize our products. The enclosed Material Safety Data Sheet(s) (MSDS), are for our products that you purchase and contain that safety information.

The Federal OSHA Hazard Communication standard or other "Right to Know" legislation requires that Material Safety Data Sheets be in your possession. The sheets contain information that is valuable to your employee health and safety program. It is vital that you be familiar with the information and capable of communicating it to the employees and contractors who handle or work in the proximity of the products described. Also, if you resell products, you must furnish a copy of these Material Safety Data Sheet to each of your customers who use or resell these products. Request such customers to notify their employees, customers and contractors of the information on these Material Safety Data Sheet(s).

We will make every effort to keep our Material Safety Data Sheets up to date, and we will make sure you receive revised issues as they are published. Please feel free to call your sales representative if you have any questions or require further information.

Very truly yours,
Claire Mfg Company

in Cleaning and Maintenance

MATERIAL SAFETY DATA SHEET (MSDS)

MODEL NUMBER: 811 -

IDENTITY (As Used On Label and List) FURNITURE POLISH

EMERGENCY MEDICAL TELEPHONE NUMBER 1-800-228-5635 (24 HRS)

Product Hazard--Health= 1, Fire= 1, Reactivity= 0, Special= 0

Hazard Rating--4 = Extreme, 3 = High, 2 = Moderate, 1 = Slight, 0 = Insignificant

Section I

CLAIRE MANUFACTURING COMPANY
500 VISTA AVENUE
ADDISON

IL, 60101

TELEPHONE NUMBER FOR INFORMATION:
1-708-543-7600

DATE PREPARED: 03/14/90

NAME OF PREPARER: Philip T. Miller

Section II - Hazardous Ingredients/Identity Information

Components/Chemical Name	Occup. Exposure Limits (LD50) (Oral-Rat)	SARA Title III SEC 313	ACGIH TLV/TWA	% By Wt.
LPG Propellant (CAS# 68476-85-7)	NE	-	1000ppm	5
Non Hazardous Ingredients*	NA	-	NA	Balance

Components Listed As A Suspected Carcinogen: None

*Unidentified ingredients are not considered hazardous under the Federal Hazard Communication Standard (29 CFR 1910.1200)

Section III - Physical/Chemical Characteristics

Boiling Point: ND

Specific Gravity(H₂O=1): <1

Vapor Pressure(psig): 117 @ 130F

Solubility in Water: >10%

Vapor Density(AIR = 1): >1

Melting Point: NA

Evaporation Rate(Ether = 1): ND

Appearance and Odor: Lemon odor, cone spray.

Section IV - Fire and Explosion Hazard Data

Flash Point (Method Used): None to boiling.

Flammable Limits - propellants: LEL: 1.8% **UEL:** 9.2%

Extinguishing Media: Dry Chemical, Carbon Dioxide, Foam

Special Fire Fighting Procedures: Containers should be cooled with water to prevent vapor pressure build up. Use equipment or shielding, as required, to protect personnel from bursting, rupturing or venting containers.

Unusual Fire and Explosion Hazards: At elevated temperatures (over 54C-130F) containers may vent, rupture, or burst.

Section V - Reactivity Data

Stability - *Unstable:* *Stable:* X

Conditions to Avoid: Heat, open flame and oxidizing agents.

Incompatibility (Materials to Avoid): None Known

Hazardous Decomposition or Byproducts: Carbon monoxide in small amounts. Additional toxic chemicals may be formed in small amounts.

Hazardous Polymerization - *May Occur:* *Will Not Occur:* X

Conditions to Avoid: Storage above 120F. Open flames and hot surfaces.

Section VI - Health Hazard Data

Route(s) of Entry - *Inhalation:* *Skin:* X *Ingestion:*

Health Hazards(Acute and Chronic):

Signs and Symptoms of Exposure: Inhalation may cause dizziness, drowsiness and throat irritation. Eye contact may be irritating. Skin contact may cause slight redness. Ingestion of aerosols is not a likely route however, product is of low toxicity.

Medical Conditions Generally Aggravated by Exposure: None Known

Emergency and First Aid Procedures: **INHALATION:** Move victim to fresh air and call a physician.
EYES: Flush immediately water for at least 15 minutes. If irritation occurs, contact a physician.
SKIN: Remove contaminated clothing. Wash skin with soap and water. Wash contaminated clothing before reuse.

Section VII - Precautions for Safe Handling and Use

Steps To Be Taken In Case Material is Released or Spilled: Avoid excessive skin contact or breathing of vapors. Soak up with absorbant material.

Waste Disposal Method: Do not puncture or incinerate containers. Give empty, leaking or full containers to a disposal service equipped to safely handle and dispose of pressurized containers.

Precautions To Be Taken In Handling And Storing: Do not store where temperatures could exceed 54C (130F).

Other Precautions: Please read and follow the directions on the product label; they are your best guide to using this product in the most effective way, and give the necessary safety precautions to protect your health.

Section VIII - Employee Protection

Respiratory Protection(Type): None required if good ventilation is maintained. If exposure may exceed occupational exposure limits (Sec. II) Use a NIOSH--approved respirator to prevent overexposure.

Ventilation:

*Local Exhaust Adequate Under Normal Conditions
Mechanical (General): Optional*

Protective Gloves: Chemical resistant gloves.

Eye Protection: Chemical Safety glasses.

Other Protective Clothing or Equipment: Wear impervious clothing to prevent skin contact.

Work/Hygienic Practices: Ensure strict sanitary conditions are conformed to when working around chemicals. Protective clothing and equipment in accordance with 29 CFR 1910.132 and CFR 1910.133.

Special IX--Other Regulatory Controls

Ingredients of this product are listed on the EPA/TSCA Inventory of Chemical Substances.

Special X Transportation Requirements (D.O.T. Classification)

Shipping Name: Consumer Commodity

Hazard Class: ORM-D

NA-- Not Applicable

NE-- Not Established

UN-- Unavailable

ND-- Not Determined
