RE: Toxicity of Golden Harvest Wallpaper Paste
(09501, 09502, 09505)

Dear Mrs. de Jesus:

This will serve as confirmation that Golden Harvest
Wallpaper Paste does not contain any toxic additives.

The only additives are common to everyday food preparation
and accidental ingestion should not be considered harmful.

The product is not recommended for human consumption as
its processing is not done in a food grade (FDA approved)
facility.

If further information is required, please contact me.

Sincerely,

Ronald L. Foster
