INCORPORATED

Dear Sir/Madam:

In response to your request for a Material Safety Data Sheet on MT5 PLUS, the following information is provided.

The item for which you have requested a Material Safety Data Sheet is an article covered under definition 29, Code of Federal Regulations 1910.1200 (c). Further, as stated in Section (b) Subsection (5) (iv) 1920.200, the Hazard Communication Standard does not apply to this article. Consequently, under the provisions of these regulations, a Material Safety Data Sheet is not available.

The article we sell to you does not release or otherwise result in exposure to a hazardous chemical under the intended conditions of its use and is in compliance with the Toxic Substance Control Act.

Thank you for your interest in our products.

Sincerely,

Patricia Lique
