Material Safety Data Sheet

Telephone No:
Emergency Number:

DATE: 08/31/00
Revision Date: Initial

SECTION I

Product Name: Fused plastisol
TSCA Inventory Status: All ingredients comply with the USEPA's TSCA regulations.

SECTION II -- Ingredients

Ingredient	CAS Number	Percent (By Weight)	Occupational Exposure Limits	
			ACGIH TLV	OSHA PEL

This is an article

SECTION III --- Physical Data

Appearance: Solid
VOC Content: Not applicable
Specific Gravity: Not applicable

SECTION IV --- Fire and Explosion Hazard Data

Flash Point: Not applicable
Flammable Limits in Air: Not applicable
Extinguishing Media: Foam, CO2, water, dry chemical
Special Firefighting Procedures: Avoid breathing combustion products
Unusual Fire or Explosion Hazards: HCl is emitted during decomposition.

SECTION V --- Reactivity

Stability:	Stable
Hazardous Polymerization:	Will not occur.
Hazardous Decomposition Products:	Oxides of carbon, HCl
Incompatibility:	None known.
Conditions to Avoid:	None known

SECTION VI --- Health Hazard Data

Threshold Limit Value: N/E
Primary Routes of Exposure: Ingestion.
Acute Overexposure Effects: None known
Chronic Overexposure Effects: Mechanical irritation.
Medical Conditions Aggravated by Exposure: None known
Emergency and First Aid Procedures:
 Eye Contact: Remove from eye.
 Skin Contact: None required.
 Inhalation: Not an anticipated route of exposure.
 Ingestion: If large quantities are swallowed, watch the individual for signs of gastric distress and treat symptomatically if upset stomach occurs.

SECTION VII --- Spill and Leak Procedures

Steps to be taken in case of spill or leak: Not applicable.

SECTION VIII --- Special Protection Information

Respiratory Protection: None required
Ventilation: None required.
Protective Equipment: None required.

SECTION IX --- Special Precautions

General: None required

SECTION X --- Regulatory Information

DOT Proper Shipping Name: Not regulated.
RCRA Hazardous Waste: Not regulated.

User's Responsibility

This bulletin cannot cover all possible situations which the user may experience during processing. Each aspect of the user's operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained within this bulletin should be provided to the user's employees or customers. We must rely upon the user to utilize this information to develop appropriate work

practice guidelines and employee instructional programs for his or her operation. Test all end uses thoroughly to assure appropriate material selection.

Disclaimer of Liability

Information contained herein relates only to environmental, health and safety of the product and is not intended to be relied upon as technical specifications for commercial purposes (consult Geon technical bulletins). This document is believed to be true and accurate but all statements or suggestions are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof.
