Dear Students, Parents, and Guardians:

Welcome back to a new, challenging, but exciting school year!! We would like to congratulate the students in the Class of 2022 on their hard work and determination over the past 3 years. I'm sure the past year and a half have been the most challenging. We also would like to remind all students in the Class of 2022 to continue to focus and finish their senior year of high school strong. As each senior finalizes his or her plans for next year, we remind students that **hard work, determination, time management, resilience, and interpersonal skills** are all important skills that will contribute to their continued success. We wish all the students of the Class of 2022 a wonderful and exciting senior year!!!

Included in this packet, please find information regarding Class of 2022 Senior Events. The objective of this senior packet is to inform seniors, parents and guardians of the Senior Dues responsibility of each student. Please note: **The LAST PAGE OF THIS PACKET MUST BE SIGNED BY EACH Senior Level student AND his or her parent or guardian BEFORE ANY SENIOR DUES will be collected from the student, or before any student can purchase a Senior Class T-Shirt/participate in any senior events.** Signing the last page of this packet confirms acknowledgment that both the student and parent or guardian are aware of the student's financial responsibility. In addition, signing the last page of this packet confirms that both have read this packet in its entirety. **The last page of the packet is due (signed) no later than Friday, November 30, 2021 to Mrs. Rood (room 273) or Mrs. Hirt (room 105).** Should you have questions regarding any of the information in the packet, please contact any of the following staff members at Henninger High School:
