

2018 Climate Survey Results LeMoyne Elementary & Montessori at LeMoyne

Leadership Academy

March 20, 2018

Great
Expectations

The majority of items in the Climate Survey were evaluated on a 5 point Likert Scale (1 to 5; Strongly disagree to Strongly agree).

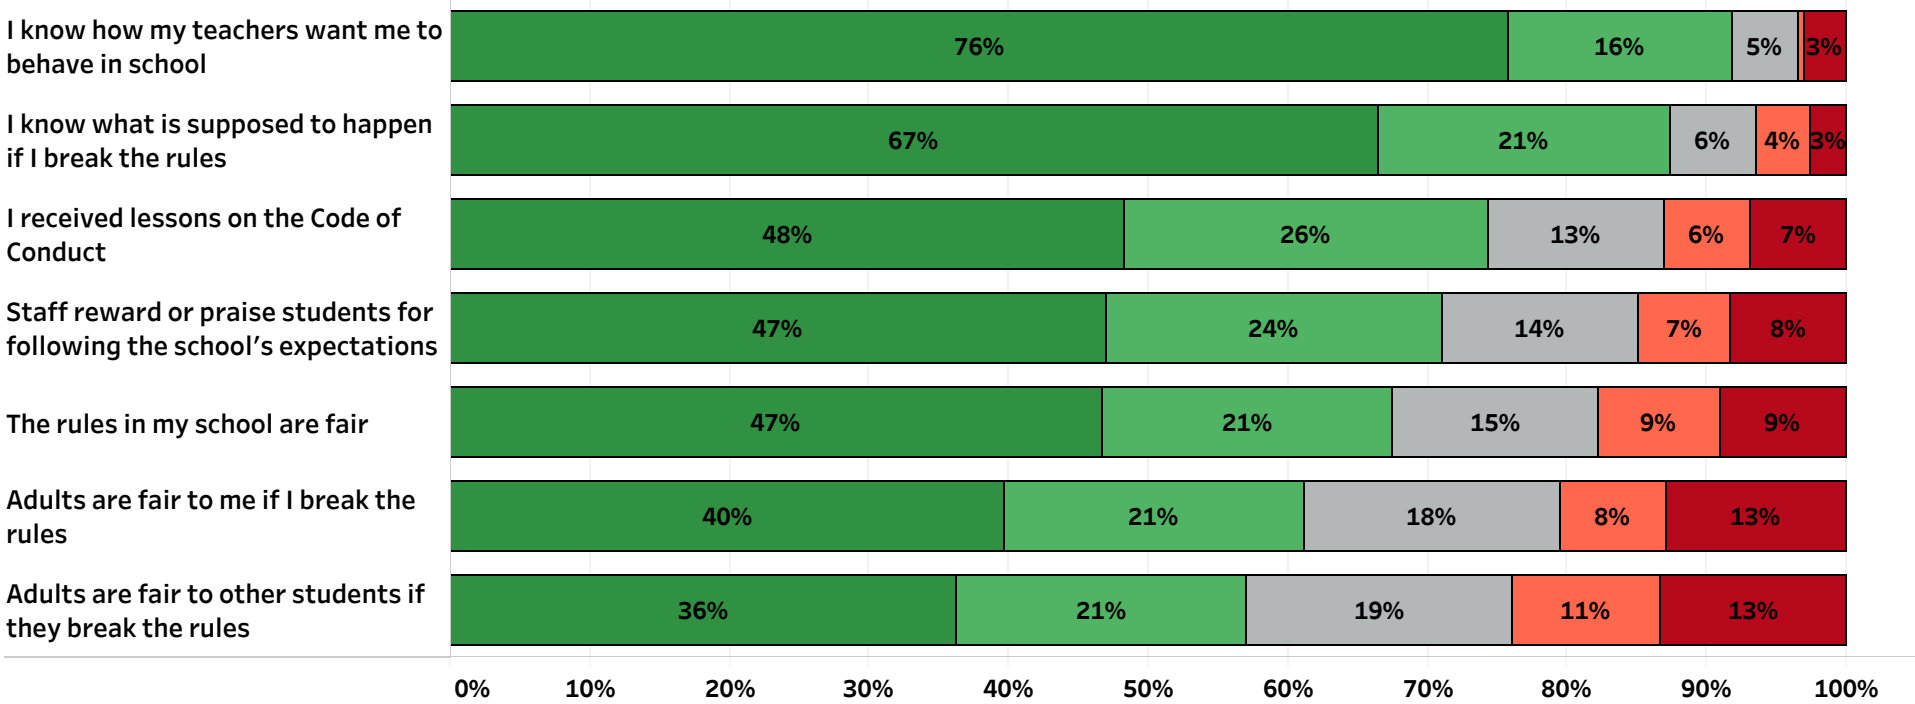

Survey questions were worded positively, so agreement with the statement was a desirable response. Responses indicating agreement are colored green, while responses indicating disagreement are colored red.

For those items evaluated on a different scale, the legend will accompany the data.

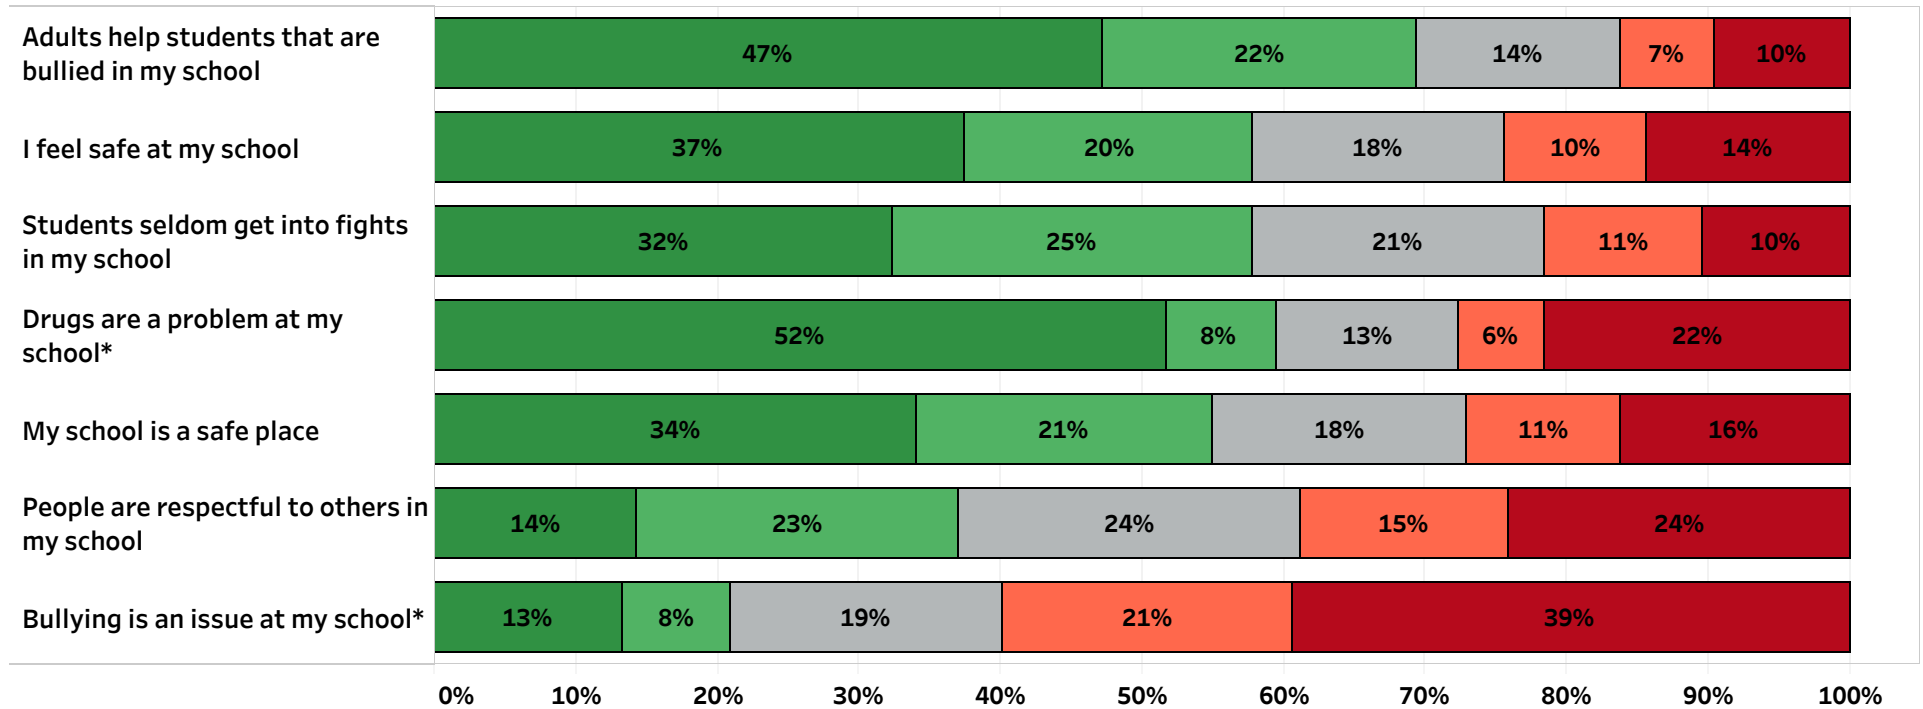

- **Strongly disagree**
- **Somewhat disagree**
- **Neither agree nor disagree**
- **Somewhat agree**
