

# SYRACUSE CITY SCHOOL DISTRICT

Jaime Alicea, Superintendent of Schools

Office of Teaching and Learning

Laura Kelley, Chief Academic Officer

April 6, 2020

Dear Syracuse City School District Students and Families,

I hope that each of you and your families are healthy and adapting as we all navigate these unprecedented times. We miss our students and the energy they bring to each school day. We truly appreciate their continued enthusiasm for learning over the past few weeks of remote learning from home.

The focus of our remote learning plan is maintaining and deepening existing skills and content, while introducing key concepts and skill from the fourth quarter curriculum. Moving forward, the primary mode of instructional delivery will be remote learning menus. These menus include many different learning activities across subject areas and will be available weekly from your student's teacher. We hope that a consistent format for weekly communication will help families and students as you get student work from your child's teacher.

The first learning menu is included with this letter and contains activities for the week of April 13-17. Going forward each teacher will be distributing the weekly menus digitally. If your family would prefer a paper copy please reach out to your student's teacher so arrangements can be made.

We know these learning experiences cannot replicate those of the day-to-day classroom, yet we are pleased with how the distance learning program will keep students engaged and allow them to have meaningful learning while at home.

Please also check out WCNY's Global Connect Channel for more learning opportunities.

Please stay safe, stay home and continue practice social distancing if you need to go out.

Best,

A handwritten signature in black ink that reads "Laura Kelley".

Laura Kelley

GLOBAL CONNECT: 24.3 Antenna, 1276 for Spectrum Digital, and 467 for FiOS.
