

SYRACUSE CITY SCHOOL DISTRICT

Jaime Alicea, Superintendent of Schools

Office of the Superintendent

March 10, 2020

Dear Parent/Guardian,

The health and safety of our students and staff is of the utmost importance. As we continue through cold and flu season – this year with the added threat of Coronavirus – please help us remain up to date by ensuring that your child’s school has the correct and most recent contact information on file.

In the event that your child is sick and needs to be picked up from school, the school nurse will contact you directly. If you see a phone call from your child’s school, please take note: it may be the school or another SCSD office trying to reach you and it may be time sensitive. A complete list of school nurse phone numbers is provided on the reverse of this letter.

If your child’s school does not already have up-to-date contact information on file to reach you in the event of an emergency, please complete the form below and return it to the school’s main office as soon as possible.

Thank you for your assistance!

Sincerely,

Jaime Alicea
Superintendent
