

# Using Game Systems to Access School @Home

Note: Imagine Learning Literacy & Language and Seesaw may not have full functionality in game station browser.

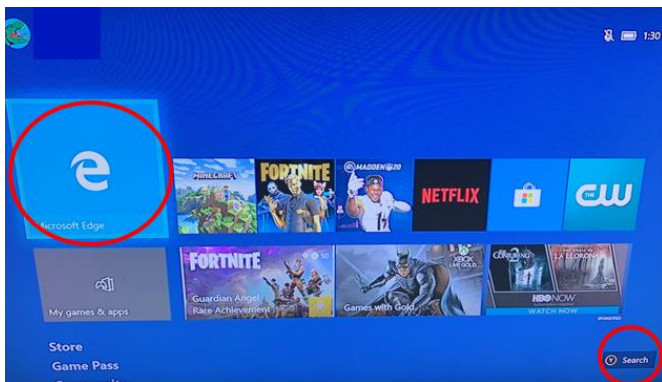

## To Access the Internet on a PS4:

1. Power on the PS4, and on the **App Screen**, select the **Internet Browser App (WWW)**.
2. If the Internet Browser is not listed, scroll far to the right, find library, search for Internet, and download it to your PS4.
3. Once you open the browser, type [scsd.us](http://scsd.us) in the navigation bar at the top.
4. Once at the SCSD home page, follow the directions at the bottom of this guide for next steps.

## To Access the Internet on an XBOX:

1. Power on the XBOX, and on the **App Screen**, select the **Internet Browser (e) App**.
2. If the Internet Browser (e) is not listed, use the **Search** button in the bottom right corner to add it.

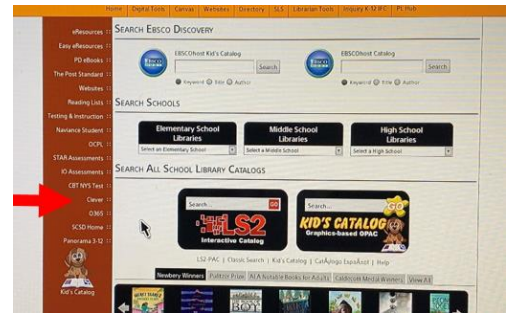

3. Once you open the browser app, learn how you will use the controller to navigate and type:

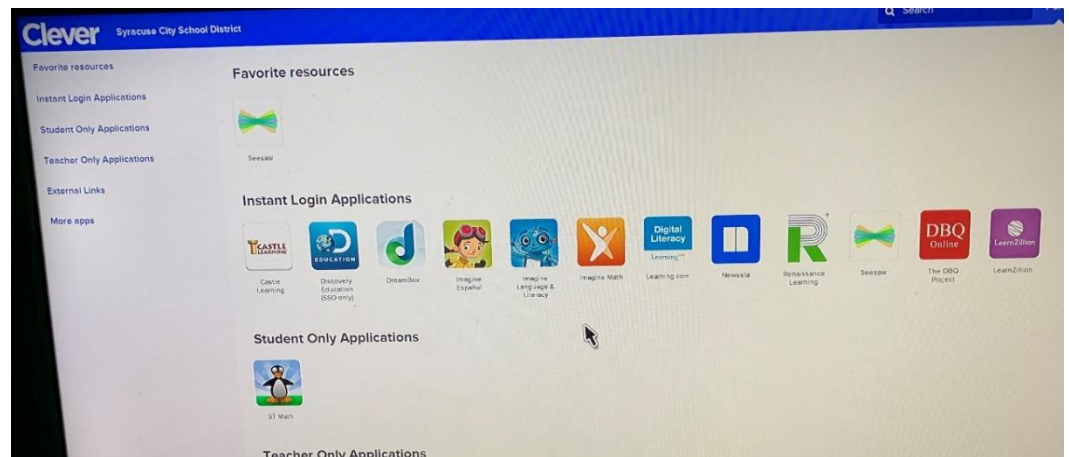

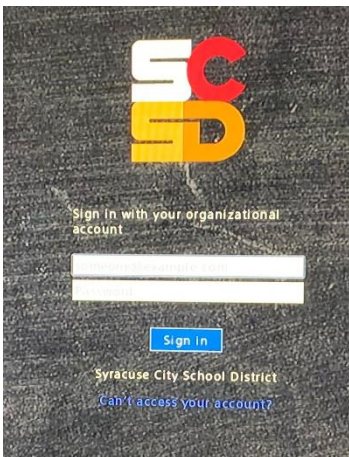

4. Once at the SCSD home page, follow the directions on the next page of this guide for next steps.

**To Access SCSD Communication & Assignments on a PS4 or Xbox after opening the SCSD home page:**

5. Once at the SCSD home page, click LIBRARY (below the banner images).
6. Then, click CLEVER on the left side.

7. Log into CLEVER with your SCSD username and password.
8. Open the app needed to complete work as directed by your teacher.

Note: Imagine Learning Literacy & Language and Seesaw may not open or have full functionality in either the PS4 or Xbox game station browser.
