

SYRACUSE CITY SCHOOL DISTRICT

Jaime Alicea, Superintendent of Schools

Expeditionary Learning Middle School

Kevin Burns, Principal

Dear ELMS Parent/Guardian:

As you know, your son/daughter will soon be transitioning to high school. This educational milestone is no doubt an exciting and anxious time for students and their families.

At this time, please consider:

- Your child’s projected high school is his or her home school (closest to your residence).
- All students have the opportunity to apply to a variety of Career Technical Education (CTE) programs offered throughout SCSD.
- You will need to complete an online application for each CTE program your child would like to apply to and attend a virtual interview for each program.
- Please review the 8th Grade CTE PowerPoint [CLICK HERE](#)

On December 1st (6 pm) and December 3rd (12 pm), SCSD will host a virtual summit aimed to inform families about the registration and selection process. **Registration for the virtual chats** can be done on the CTE website [CLICK HERE](#)

Please register and attend so that you will be best informed of the choices and opportunities for you child. I look forward to seeing you all!

Lastly, please attend **ELMS High School Information Meeting**. **You and your child must attend this meeting in order for me to input course request for high school.** I have included a schedule of meeting dates and times along with the team’s link.

DATE	TIME	Teams Link
Wednesday, December 2, 2020	6 pm	ELMS High School Information Night
Thursday, December 3, 2020	6 pm	ELMS High School Information Night
Monday, December 7, 2020	6 pm	ELMS High School Information Night
Tuesday, December 8, 2020	6 pm	ELMS High School Information Night

Sincere Regards,

Mr. GG
