Congratulations on the successful completion of the re-approval process for Medical Assisting, Classification of Instructional Programs (CIP) code, 51.0801. Use this CIP code for all data collection pertaining to this program.

Re-approval is granted for the 2019-20 school year. This program re-approval remains in effect until June 30, 2024. Technical endorsements may be added to the diplomas of students completing this program for this re-approval period beginning with the graduating class of 2020.

Your program is approved for one unit of integrated English Language Arts and one unit of integrated science.

This program approval neither constitutes nor implies approval for eligibility decisions for training funds from any source. Requests for approval to access such funds must be directed to the person or agency responsible for those funds.
