June 20, 2017

Mr. Jaime Alicea  
Superintendent of Schools  
Syracuse City School District  
725 Harrison Street  
Syracuse, New York 13210

Dear Mr. Alicea:

The career and technical education (CTE) program approval application has been approved. Congratulations on the successful completion of the career and technical education program approval process for Welding, Classification of Instructional Programs (CIP) code, 48.0508. Use this CIP code for all data collection pertaining to this program.

Your program is approved for one unit of integrated English Language Arts and one unit of integrated mathematics.

Approval to begin program implementation is granted for the 2017-18 school year. This program approval remains in effect until June 30, 2022. Technical endorsements may be added to the diplomas of students completing this program beginning with the graduating class of 2018.

The Department should be informed of any significant modifications (e.g., changes in technical assessment, teacher, or program content) of this approved program. Staff are available for consultation should you require technical assistance (please refer to your SED program number, 01519). You will be notified if your program is selected for a site visit in the future.

My staff and I hope that the process was a rewarding one for all who participated. We are confident that the program approval process continues to make positive contributions to the value and quality of career and technical education in New York State.

We look forward to sharing information about the achievements of your approved program with others. Best wishes for successful implementation of your program.

Sincerely,

Mary Cahill, Director  
Curriculum and Instruction
