Re: Free Fare Ride Dates for Students School Year 2020-2021

Beginning **Monday, October 5th**, Centro will begin providing transportation for the following schools:

Corcoran

Henninger

Institute of Technology (ITC)

Nottingham

Promising Futures Leadership Academy (PFLA)

Public Service Leadership Academy (PSLA)

This group of students will be receiving their new school passes during their first two weeks of school. During this period these students may ride Centro buses for free when traveling to and from their respective schools.

They should have and present their bus passes as a valid fare no later than **Monday, October 19th**. Students who need to transfer at the Hub traveling to/from home/school should request a school transfer from the bus operator. The SCSD-Centro bus passes will now be valid between **6:30 am - 3:30 pm**.

At this time, these schools will not receive transportation on Wednesdays. Although, this may change over the course of the year.

Thank you.
