Dear Syracuse Families,

The Syracuse City School District Athletic Department is excited to announce that we are now offering the convenience of online registration for all sports teams through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our sports teams.

Before you begin the registration process your student-athlete must have a current physician's physical on file with their school nurse to participate in sports. If the physical is expired, you may submit a new one to the nurse's office by taking a picture or scanning a copy and uploading it to the FamilyID form or by bringing a copy to school.

Registration is easy and quick. In order to set up an account with FamilyID and register for your sport, please follow the instructions below.
