

# Meal Service

## New: Meal Kits!

Beginning December 7, meal pick-up sites will no longer be open daily. Instead, **a multi-day meal kit will be made available to your child once a week following the schedule below.** This plan takes into account the safety of every family and provides for several days of breakfasts and lunches.

All other meal services for hybrid students will remain the same **(including bagged lunches for middle and high school students).**

### Meal Kit Schedule

| MONDAY  | TUESDAY   | WEDNESDAY   | THURSDAY  | FRIDAY   |
|---|---|---|---|--|
