Go ahead, be choosy

They say variety is the spice of life, and we couldn't agree more. That's why our in-network options enable you to see the doctor you want, when and where it's best for you – at home or on the road.

Wherever you are, we've got you covered. For a complete list of participating providers, visit us at eyemed.com, or download the EyeMed Members App at iTunes or the Google Play Store. With the app, you can find a nearby provider, check benefit or claim status, set exam or contact lens change reminders, or save a vision prescription – anytime, anywhere.
