Syracuse City Schools

October 2022

### Principal's Message:

Happy October, Montessori at LeMoyne Families,

Thank you for helping us have a great start to the school year. Seeing the students and staff back together is a great thing because I know progress will continue. We've done our initial screening assessments of the students and put together Academic Intervention Plans as needed. Feel free to contact your child's teacher to get information on where your child is beginning the school year academically. I think most of us are adjusting to the new year and have routines in place to help us be successful as we continue through the first marking period. Open house will be October 6th and it is a chance for families to come in and see the building, classrooms, workspaces and meet the teachers. Child progress won't be discussed at open house. Marking period 1 ends on 10/26 and we will schedule parent conferences for the beginning of November to have those discussions.

October brings other excitement to the school. We have some field trips scheduled for the zoo and for the MOST. School picture days are a few weeks away. We will also have a parent engagement night. There's so much to look forward to. Be sure to contact teachers to find out more about what students are learning. You can follow school events on twitter @SCSDMontessori as well.

Thank you,  
Mr. Armstrong
