Provision for School Closing Due to Weather Related Conditions or Other Situations

The following will apply relative to the administration of the school calendar to ensure that school closings do not cause the number of days in session to drop below the number required by law. The calendar allows for the use, without loss of State Aid, of **six (6)** school closing days.

Contingent School Closing Day

- If zero (0) inclement weather days are used, then April 22, May 23, 24, and 28 become recess days.
- If one (1) inclement weather day is used, then May 23, 24 and 28 become recess days.
- If two (2) inclement weather days are used, then May 24 and 28 become a recess day.
- If three (3) inclement weather days are used, then May 28 becomes a recess day.
- If four (4) inclement weather days are used, the school calendar remains intact, with all contingency days used as days in session.

If an emergency situation forces the Syracuse City School District schools to close more than **six (6)** days, school will be in session beginning with April 15, and then to April 16, 17, 18, and 19 (Good Friday) for each day beyond **six (6)** up to **eleven (11)**. If an emergency situation forces school to be closed more than **eleven (11)** days, the District and the Association will meet for the purpose of discussing the calendar adjustments necessary to conform to State Law. As a result, staff is cautioned NOT to commit themselves to any irrevocable plans for the April Break in the event that any or all of these days will be required to make up for lost student days in excess of the amount provided for in this calendar.
