Find us on Facebook!

Syracuse Latin School PTO
And

The Syracuse Latin School

School events, community information will be shown on the PTO page. It's another great avenue to have any questions answered.

The school will post staff/student kudos and pictures on this page. Members cannot post here.

Hello Syracuse Latin Families! It's so exciting to welcome our new students and families from Kindergarten through 4th grade. Watching the growth each year has been nothing shy of amazing! Not only has the school grown in terms of adding grade levels, it has shown growth within volunteer opportunities, and camaraderie.

Let's make another leap of growth..together! Please join us for our Welcome Back/Information Night on September 19th from 6-7PM in the cafeteria. Child care will be provided in the library, courtesy of Parent University. This is a great opportunity to listen, learn, and ask questions about the future happenings at school and not to mention meet new people.

A message from the PTO

The evening of the Meet and Greet, our table excitedly met some new faces and greeted some old, and handed out many popsicles to cold hands! It was a chilly night but an awesome one at that! We successfully had over 60 volunteers sign up to help with school events!! We still have many more shoes to fill, so please stop by and see us during Open House. Let's learn together and build together!
