

# McKinley-Brighton Virtual Orientation

Kindergarten

## **Mission**

All students will become self-determined, goal producing members of our global society and will be college and career ready through deliberate and explicit personalized learning.

## **Vision**

In collaboration with students, families and the community, McKinley-Brighton will provide a safe, respectful learning environment that is committed to developing self-motivated, self-directed students who value learning. With strong relationships at its core, McKinley-Brighton will provide learning experiences that will be the foundation for success in college and/or career.

This is where you find specials in Seesaw - click on your name icon in the right upper corner of your screen and choose from art, music, or P.E. in the drop-down menu 😊

The screenshot displays the Seesaw interface. At the top left, a user profile for 'Joan Student - 1 Class' is circled in purple. The main content area shows a math activity titled 'How to Add 1,216 + 671' with the expanded form:  $1,000 + 200 + 10 + 6$  and  $600 + 70 + 1$ . A text box instructs: 'First, write the numbers in expanded form'. The date 'Oct 21, 2019' is visible. On the right, a sidebar for 'Room 11 Student' includes a '+ Add' button, navigation icons for 'Journal', 'Activities', 'Inbox', and 'Blog', and a list of student names: Joan, Alex, Arjun, Esther, Lela, and Musashi.
