

MATERIAL SAFETY DATA SHEET

PRODUCT **AMERICAN PAINT, OIL & GREASE REMOVER**

HAZARD RATINGS*

- OSHA -

Health

1

slight health hazard

Fire

2

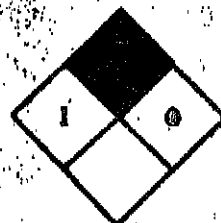

moderately combustible

Reactivity

0

not reactive

- N.F.P.A. -

DOT Class:

NA 1993

I. PRODUCT IDENTIFICATION

Manufacturer: **ADCO, Inc. 900 W. Main, Sedalia, MO 65301**

Emergency Telephone nos: **CHEMTREC (800) 424-9300; ADCO (800) 821-7356**

Intended use: **spot remover for drycleaning or laundry use**

Chemical name: **none - proprietary mixture** CAS# **none**

Synonyms: **APOG, American** State registry# **pending**

II. PHYSICAL DATA

Appearance: **light amber liquid** Flash point: **102°F min. (P.M.)**

Odor: **nut-like** % volatile (220°F): **75**

Specific gravity: **0.895 @ 68°F** pH (water solution): **8.5 to 9.0**

Solubility in water: **slight, forms emulsion**

III. HAZARDOUS INGREDIENTS

☐ none☒ proprietary mixture☐ not applicable

☐ Ingredients are considered hazardous only as eye or skin irritants.

aromatic hydrocarbons

CAS #

64742-95-6

other organic solvents

CAS #

(proprietary)

chlorinated hydrocarbons

CAS #

(proprietary)

IV. FIRE AND EXPLOSION HAZARD DATA

Flash Point: **102°F min. (P.M.)**Lower Flammable Limit: **not known**Extinguishing Media: **Dry chemical, carbon dioxide, water fog or other media for Class B fires.**Special Fire Fighting Procedures: **Cool containers with water spray.**

Unusual Fire and Explosion Hazards: **Vapors may form combustible or explosive mixture with air. Combustion products may be toxic.**

*Hazard ratings and other information are based on latest available information from tests on product or ingredients of mixtures. The data and evaluations are accurate to the best of ADCO's knowledge. No guarantee or liability is expressed or implied.

V. HEALTH HAZARD DATA

Threshold Limit Value: no data

Toxicity: believed slight ☒ Estimated. No test data on this mixture is available.

Effects of Overexposure: Acute:

Dizziness, intoxication, nose, lung and eye irritation from vapors. Eye and skin irritation from contact.

Chronic:

Contains minor components reported to cause liver and kidney damage

First Aid Procedures: Remove person overcome by vapors to fresh air.

Flush eyes with water (15 minutes).

Wash off of skin.

If swallowed: do not induce vomiting.

IF SYMPTOMS PERSIST SEEK MEDICAL ASSISTANCE**VI. REACTIVITY DATA**Stability: ☒ Stable ☐ Unstable Conditions to Avoid: Use or storage above 120°F.

Incompatibility (materials to avoid): Do not mix with strong oxidizers.

Hazardous Decomposition Products: Burning produces toxic vapors.

Hazardous Polymerization: ☒ Will not Occur**VII. SPILL OR LEAK PROCEDURES**

Steps to be taken if material is spilled: **AVOID BREATHING VAPORS.** Keep from sources of ignition. Small quantities may be flushed with water to the sewer. Larger spills should be absorbed on absorbent material (sawdust, etc.) and shoveled into containers for disposal.

Waste Disposal Method: Contains chlorinated hydrocarbons. Liquid product or absorbents containing this product must be disposed of in accordance with applicable local, state and federal regulations for hazardous wastes.

VIII. SPECIAL PROTECTION INFORMATION

Respiratory Protection:

☒ None required when used as directed with adequate ventilation.☒ When cleaning up large spills in confined areas, self-contained breathing apparatus is recommended.

Ventilation:

☐ Normal industrial ventilation is adequate. ☐ Use in a spray booth.☒ Local exhaust at work station recommended.

Protective Gloves:

☒ Ordinarily not needed. Use gloves when contact is prolonged or frequent.

Eye Protection:

☒ Use goggles or face mask if splashing is likely.

Other protection Equipment:

☒ Ordinarily not needed. Availability of eye washes in work areas recommended.

Recommended Precautionary Labeling:

Caution: Contains toxic compounds - combustible.
Use with adequate ventilation - avoid prolonged breathing of vapors.
Keep away from heat and open flames.
Avoid contact with skin or eyes.
Harmful if swallowed.

First aid: In case of contact, flush eyes 15 minutes with water; wash off of skin. If overcome by vapors, remove victim to fresh air. If swallowed do not induce vomiting. Call Physician.

IX. OTHER SPECIAL PRECAUTIONS

This product is intended for professional use only by trained personnel.

KEEP OUT OF REACH OF CHILDREN.**DO NOT TAKE INTERNALLY.**

Keep containers closed. Store in well ventilated area away from heat and sources of ignition.

This information is provided for guidance only based on information we have. No guarantee of accuracy or completeness is expressed or implied.
