Dow Chemical

Dursban^{*} L.O. Insecticide

Controls Numerous Pests In and Around Households

To Be Applied Only by or Under the Direct Supervision of Commercial Applicators Responsible for Insect Control Programs. Sale to or Use by Persons Owning or Occupying a Dwelling is Strictly Prohibited.

Active Ingredient(s):

Chlorpyrifos [O,O-diethyl O-(3,5,6-trichloro-2-pyridyl) phosphorothioate] 41.5%

Inert Ingredients 58.5%

Contains 4 pounds of chlorpyrifos per gallon

E.P.A. Registration No. 464-571

E.P.A. Est. 11715-TN-1

KEEP OUT OF REACH OF CHILDREN

WARNING

AVISO:

PRECAUCION AL USUARIO:

Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

**HARMFUL IF SWALLOWED • HARMFUL IF
ABSORBED THROUGH SKIN • CAUSES
SUBSTANTIAL BUT TEMPORARY EYE
INJURY**

**Do Not Get In Eyes, On Skin Or Clothing •
Handle Concentrate In A Ventilated Area •
Wash Thoroughly With Soap And Water After
Handling And Before Eating Or Smoking •
Remove Contaminated Clothing And Wash
Before Reuse**

STATEMENT OF PRACTICAL TREATMENT:

If Swallowed: Call a physician or Poison Control Center immediately. Do not induce vomiting. Contains an aromatic petroleum solvent. Do not give anything by mouth to an unconscious person. **If On Skin:** Wash with plenty of soap and water. Get medical attention. **If In Eyes:** Flush with plenty of water for 15 minutes. Get medical attention. **If Inhaled:** Remove to fresh air if symptoms of cholinesterase inhibition appear and get medical attention immediately.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. If exposed, plasma and red blood cell cholinesterase tests may indicate significance of exposure (baseline data are useful). Atropine, only by injection, is the preferable antidote. Oximes, such as 2-PAM/protopam, may be therapeutic if used early; however, use

only in conjunction with atropine. In case of severe acute poisoning, use antidote immediately after establishing an open airway and respiration.

Physical or Chemical Hazards

**COMBUSTIBLE • Do Not Use or Store Near
Heat or Open Flame.**

Environmental Hazards

**This pesticide is toxic to birds and other
wildlife and extremely toxic to fish and
aquatic organisms. Do not apply directly to
water. Drift and runoff from treated areas may
be hazardous to aquatic organisms in
adjacent aquatic sites. Cover or incorporate
spills. Do not contaminate water by cleaning
of equipment or disposal of waste.**

NOTICE

Read and understand the entire label before using. Use only according to label directions.

Before buying or using this product, read "WARRANTY LIMITATIONS AND DISCLAIMER" elsewhere on this label. If terms are not acceptable, return unopened package at once to seller for full refund of purchase price paid. Otherwise, use by the buyer or any other user constitutes acceptance of the terms under WARRANTY LIMITATIONS AND DISCLAIMER.

IN CASE OF AN EMERGENCY

**endangering life or property involving this
product, call collect 517-636-4400**

AGRICULTURAL CHEMICAL

**Do Not Ship or Store with Food, Feeds, Drugs,
or Clothing**

Dursban L.O.**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not formulate this product into other end-use products.

Do not tank mix this product with dichlorvos (DDVP) containing products. Can be tank-mixed with methoprene, hydroprene, or pyrethrin-containing products.

GENERAL INFORMATION

DURSBAN L.O. insecticide is an emulsifiable concentrate designed for use as a spray to control various pests in and around households and other structures. The pests controlled are listed in the accompanying tables.

Attention: Do not allow spray to contact food, feedstuffs, or water supplies. Do not allow spray to contact food or food-contacting surfaces. Thoroughly wash dishes and food handling utensils with soap and water if they become contaminated by application of this product. Remove pets and cover fish bowls (tanks) before spraying. Do not introduce the spray into the air or use in fogging equipment. Do not allow adults,

children or pets on treated areas until spray has dried. Keep out of fishpools or other bodies of water. Do not treat vegetable gardens. Do not allow livestock to graze in treated areas. Do not feed treated grass cuttings (hay) or seed screenings to livestock, nor use hay for livestock bedding. Do not use in poultry houses.

Mixing Instructions

When diluting DURSBAN L.O. insecticide, first add approximately one-half of the water to the spray tank; add the proper amount of DURSBAN L.O. and immediately close the tank and shake vigorously for 5-10 seconds; then add the remaining water slowly to avoid excess foam. A stable microemulsion will form which will not separate.

Proper Storage for Dilutions

When diluted, DURSBAN L.O. is particularly sensitive when exposed to freezing (or near freezing) temperatures, i.e. temperatures below 35°F for extended periods of time. Therefore dilutions of DURSBAN L.O., if allowed to stand for long periods, should be stored at room temperature.

Do not apply water-based sprays of this product to conduits, motor housings, junction and switch boxes, or other electrical equipment because of possible shock hazard.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in original container in secured dry storage area. Prevent cross-contamination with other pesticides and fertilizers. Do not store above 100°F for extended periods of time. Storage below 40°F may result in formation of crystals. If product crystallizes, store at 55-75°F and shake occasionally to redissolve crystals. If container is damaged or spill occurs, use product immediately or dispose of product and damaged container as indicated below.

Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: 40 ML BOTTLE Do not reuse empty container. Wrap container and put in trash.

PINT Triple rinse (or equivalent). Then dispose of in a sanitary landfill, or by incineration, or, if allowed by local authorities, by burning.

55 GALLON DRUM Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

FOR THE 40 ML UNIT DOSE BOTTLE:

Do Not Remove Packages From Container Except for Immediate Use

REVISIONS INCLUDE:

- 1) HAZARD STATEMENT
- 2) PRECAUTIONARY STATEMENT
- 3) PEST CONTROL INDOORS
- 4) CONTROL OF WOOD-INFESTING INSECTS
- 5) PEST CONTROL ON OUTSIDE SURFACES AND AROUND BUILDINGS
- 6) CONTAINER DISPOSAL

WARRANTY LIMITATIONS AND DISCLAIMER

The Dow Chemical Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions therein under normal conditions of use. THIS IS THE ONLY WARRANTY MADE ON THIS PRODUCT. NO OTHER EXPRESS AND NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OUTSIDE OF THIS LABEL. Therefore, neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions (including conditions noted on the label, such as unfavorable temperatures, soil conditions, etc.), under abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes, etc.) or under conditions not reasonably foreseeable to or beyond the control of seller.

When buyer or user suffers losses or damages resulting from the use or handling of this product (including claims based on contract, negligence, strict liability, or other legal theories), buyer or user must promptly notify in writing The Dow Chemical Company of any claims to be eligible to receive either remedy given below. The EXCLUSIVE REMEDY OF THE BUYER OR USER and the LIMIT OF LIABILITY of The Dow Chemical Company or any other seller will be one of the following, at the election of The Dow Chemical Company:

- (1) Refund of purchase price paid by buyer or user for product bought, or
- (2) Replacement of amount of product used.

The seller will not be liable for consequential or incidental damages or losses.

The terms of this Warranty Limitations And Disclaimer cannot be varied by any written or verbal statements or agreements. Any employee or sales agent of the seller is not authorized to vary or exceed the terms of this Warranty Limitations And Disclaimer in any manner.
