Country of Origin: TAIWAN

Sam
Style No(s): 6625-02
PO No.: N/A
Client Item/Part No.: N/A
Assortment No.: N/A
UPC Code: N/A

EXECUTIVE SUMMARY:

The sample(s) was evaluated for the following requirement(s):

- The labeling requirements of 16 CFR 1500.14(b)(8), "Art materials" (LHAMA and FHSA regulations).
After review by a board certified toxicologist, it has been determined that, based upon the submitted formulations, the sample will not pose chronic adverse health effects in humans when the sample is used as intended. This sample, therefore, does not require chronic health hazard labeling.

The sample must bear the following or comparable statement: "Conforms to ASTM D4236".

This LHAMA evaluation was conducted in accordance with the guidelines specified by the Consumer Product Safety Commission in 16 CFR 1500.135.

Note: The evaluation, dated November 6, 2001 was subcontracted to an approved ACTS Lab / Toxicologist.

This report is intended for your exclusive use. Any copying or replication of this report to or for any other person or entity, or use of our name or trademark, is permitted only with our written permission. Our report is limited to the test samples identified herein. The results set forth in this report are not necessarily indicative or representative of the statistical quality or characteristics of the lot from which a test sample was taken or any similar or identical product unless specifically and expressly noted. Our report includes all of the tests requested by you and the results thereof. You shall have thirty days from receipt of this report to request additional testing of the samples or to notify us of any errors or omissions relating to our report. However, such notice shall be in writing and shall explicitly address the issue you wish to raise. A failure to raise such issue within the prescribed time shall constitute your unqualified acceptance of the completeness of this report, the tests conducted and the correctness of the report contents.
