Enclosed is your request for Material Safety Data Sheets (M.S.D.S.). Keep in mind that not all products require data sheets. We will edit your request and supply one copy of the data sheet, for only the items that require them.

You should request the M.S.D.S. at the time you place your order, or mail a list of the products, using the Dick Blick catalog numbers. We want to make sure you get the proper data sheets for your files, so please include a complete description of the items.
