MATERIAL SAFETY DATA SHEET

Fab Dec 3553 Old Post Road San Angelo, Tx 76904

FOR HAZARDOUS PRODUCTS USED IN PLACES OF EMPLOYMENT Reg. #1810-A section 1 name & product emergency phone no. (24 hours) manufacturer's name 302-575-3000 ICI Americas Inc. date this form written for latest data, constreet address sult manufacturer. 4/10/80 Concord Pike & Murphy Road (c) signature of certifying company official city, state, zip code Wilmington, DE 19897 chemical name, trade name, and synonyms PROCION® RED MX-8B formula of primary component(s) C.I. Reactive Red 11 (h) TLV % (units) section 2 ingredients 51.2 *10 mg/M³ Dye 48.8 Proprietary *No data but suggest a TLV of 10 mg/M3 total dust. (not specification values) section 3 physical data Approx. 1 Not applicable 6 specific gravity boiling point (° F.) Not applicable 7 % volatile by volume Not applicable 3 vapor pressure (mmHgat 20° c) Red/Minimal 8, color and odor Not applicable 4 vapordensity (air = 1) Powder 9 physical state 5 solubility in water section 4 fire and explosion hazard data 11 flammable limits (STP) 10 flash point (and method used) U.F.L. Not applicable Not applicable L.F.L. Not applicable dry alcohoi other CO, extinguishing X foam chemical foam media: 13 special fire fighting protective equipment Self contained breathing apparatus in close proximity of fire. 14 unusual fire and explosion hazards In common with many organic chemicals including the majority of dyes and pigments in powder form, this product could form flammable dust clouds in air. section 5 reactivity data 6 conditions to avoid 15 normal Yes conditions stability fire Yes conditions oxidizing corrosive base acid water material incompatibility (materials to other Not applicable avoid) 18 hazardous decomposition products Oxides of mitrogen, CO & CO2 20 conditions to avoid may occur hazárdous polymeriza-
