TOXIC SUBSTANCE
INFORMATION AND TRAINING DATA SHEET

Name(s) of the Toxic Substance

Generic: Wood Finishing Product

Chemical: _____

Trade: Wood Finish Provincial #211

Common: _____

Manufacturer's Name: Minwax Company

Location

Location of Use: _____

Location of Storage: _____

Properties

Appearance and Color: Amber liquid

Odor: Mild

Minimum Detectable by Odor: _____

Boiling Point (°F): 313°

Melting Point (°F): _____

Behavior in Water: Not soluble

Evaporation: Rate = 0.09

Reactivity

Stability: (Stable) X

(Unstable) _____

Conditions to Avoid: Heat and open flames

Materials to Avoid: None

Flammability and Explosiveness

Flash Point and Method: Pensky Martin CC 108°F

Autoignition Temperature: _____

Explosive Limits: (Upper) 6.0 (Lower) 0.9

Extinguisher(s): Water Mist, Carbon Dioxide, Dry Chemical

Special Fire-Fighting Procedures: _____

Unusual Fire-Fighting and Explosion Hazards: None

Hazardous Levels

OSHA: Average Eight-Hour Exposure Limit: 500

ppm (mg/m³)

New York State Health Department: _____

ppm (mg/m³)

NIOSH Recommended Limit: _____

ppm (mg/m³)

(Continued on reverse side)

Symptoms of Exposure at Hazardous Levels

Acute Exposure

Inhalation: Headaches, nausea, nervous irritability

Ingestion: _____

Skin: _____

Eyes: _____

Chronic Exposure

Inhalation: _____

Ingestion: _____

Skin: _____

Eyes: _____

Effects of Acute and Chronic Exposure at Hazardous Levels

Acute Exposure

Inhalation: _____

Ingestion: _____

Skin: _____

Eyes: _____

Chronic Exposure

Inhalation: _____

Ingestion: _____

Skin: _____

Eyes: _____

Emergency Treatment

Inhalation: _____

Ingestion: Get medical help; do not induce vomiting.

Skin: Wash area with copious amounts of water

Eyes: Wash and call physician

Conditions for Safe Use and Exposure

Storage and Use: Keep container closed, avoid prolonged and repeated breathing of vapors and contact with skin.

Protective Measures: Positive ventilation in area.

Protective Equipment: Self-contained cannister, rubber gloves, safety goggles, face shields, aprons, arm guards.

Special Handling Instructions: _____

Procedures for Clean-Up

Spills and Leaks: Keep material out of sewers. Use sand or rags to clean up.

Disposal: Contact regional office of NYS Department of Environmental Conservation

Notes

Date Issued: _____

Listed in 1910, Subpart Z: YES _____ NO X
