Greetings to all Black Knight Families,

As we approach the holiday break, I want to take this opportunity to wish you and members of your family a joyous season. I often reflect on the many blessings I'm afforded in my role as Principal. Serving the Henninger community allows me to work beside many talented educators who support our equally talented students. Recognizing and appreciating the diversity in our school family provides me with much joy.

In order to move our students forward we must continue to emphasize the importance of daily attendance. Being present is critical to students' success and growth. It is our hope that, following our return from vacation, that we all make attendance a priority.

Creating an environment for success means that a partnership must exist between home and school. Teachers are providing students with valuable lessons and students are on time and involved in this partnership. Only when this occurs will there be meaningful growth.

Our pact with families will include regular communication and a monthly online calendar that will highlight events in our school. Please consider joining us for any of our events and support our efforts to improve student attendance and subject proficiency. Together we can truly make a difference! I remain committed to this mission and believe in the vision.

May the spirit of the season be enjoyed by you and yours.

Respectfully,

Shirelle Dowdell, Principal

All in, all one, all Black Knights
