Academics, Language, Sports, Art, Math & More!

Sign up with your child's school
BY MAY 19TH!

Summer Programming has arrived! Get an application from your school's main office today!

This summer, when you register your child for Summer Programming at any elementary, PK-8 or middle school site, they will have access to full-day programming. Mornings include the opportunity to build math and reading skills and participate in physical fitness; afternoons have a variety of exciting enrichment activities. See the following pages for each site's schedule. At high schools, students can engage in credit recovery (only in-person options will be offered).

Visit www.syracusecityschools.com/summer for the most up to date information and for Summer Meal Locations.

How to register my child for Summer Programming...

Your child should receive an application from their school or in the mail. After you have the application, fill it out and send it back to the school or follow the steps on the application to apply.

If you have not received one, contact your child's school main office or guidance office to have one sent home with your child. Some of the programs have applications online which you can print at www.syracusecityschools.com/summer.

Bea González Fellows Program

Students participating in this program will engage in enrichment programming related to financial literacy, work readiness skills, mental health/social emotional behavior, self-care and health/wellness and career exploration. There is also a community service component which could include office work, grounds keeping and more. This is all a part of their enrichment experience and giving back to their school community.

****Students must complete at least 75% of the 6-week program to receive the stipend. Hours are TBD based upon the school and program.**

Summer Programming Stipend

Rising 6th-8th Graders: \$350 Rising 9th-12th Graders: \$550****

ENL & Spanish Dual Language Programs

HS ENL Academy

July 5-August 15

Rising 10th – Rising 12th Grade ELL Students
Mon-Thu | Time: Flexible; second half of day
or during summer school hours
Summer Site: Nottingham HS

The High School ENL Academy will support students with tutoring and tiered support based on student need to prepare students for upcoming Regents exams.

Language Without Limits (K-5)

July 5-August 11

Mon-Thu, Second half of the day
Summer Site: Seymour Dual Language Academy

Bilingual summer enrichment program geared toward advancing cultural competency and the acquisition of a new language for students in the SCSD dual language program.

There will be weekly field trips and community celebrations.

Steps to the Seal Academy (K-5)

July 5-August 11

Mon-Thu, Second half of the day
Summer Site: Dr. Weeks & Franklin Elementary

Heritage language classes offered for Syracuse City School District's multilingual students to promote biliteracy and develop students' home language.

Summer Institute for Language and Culture (K-12)

July 5-August 11

Mon-Thu, First half of day
Summer Site: Franklin Elementary

English Language Learners who are new to the United States and the Syracuse City School District community are invited to participate in the Summer Institute for Language and Culture. Students will have opportunities to explore individual identities in their new communities with the goal of fostering a deeper sense of self, stronger peer supports, and connections to their school and wider community. Weekly field trips will create hands-on learning experiences with a capstone project at the end of the program. Each lesson will have a strong English as a New Language component with translanguaging practices to support students' receptive and expressive languages. Following this content in the AM, students enrolled can participate in the Steps to the Seal program in the PM to develop heritage language literacy.
