

Summer RECHARGE

Get ahead in your studies this summer!
Academics, Sports, Art, Math & More!

Summer has arrived! SCSD has something for every child looking to recharge their summer and get ahead or try some exciting programming. **Ask your school for an application today!**

This summer, when you register your child for Summer Programming at any site, they will have access to full-day programming. Mornings include opportunities to build math and reading skills and participating in physical fitness activities. Afternoons have a variety of exciting enrichment activities. See the following pages for each site's schedule. At high schools, students can engage in credit recovery, esports, or summer arts!

Visit www.syracusecityschools.com/summer for the most up to date information and for Summer Meal Locations.

How do I register my child for Summer Programming?

Your child should receive an application from their school or in the mail. After you have the application, **fill it out and send it back to the school or follow the steps on the application** to apply.

If you have not received one, contact your child's school main office or guidance office to have one sent home with your child. Some of the programs have applications which you can print at syracusecityschools.com/summer and turn into your school's main office.

MORE SUMMER ENRICHMENT

Middle School Bea González Fellows

Students participating in this program will engage in enrichment programming related to financial literacy, work readiness skills, mental health/social emotional behavior, self-care and health/wellness and career exploration. There is also a community service component which could include office work, grounds keeping and more. This is all a part of their enrichment experience and giving back to their school community.

Students must be in attendance for at least 75% of the summer program and complete all tasks and activities to receive the stipend. Hours are TBD based upon the school and program.

A violation of the SCSD Code of Conduct may result in your child not being eligible for the stipend.

Summer Fellows Stipend for 6th, 7th & 8th Graders: \$350

ENL & Spanish Dual Language Programs

Language Without Limits (K-5)

July 7-August 8

Mon-Fri, Afternoon Enrichment Block
Summer Site: Seymour Dual Language Academy (only Seymour summer school students)

Bilingual summer enrichment program geared toward advancing cultural competency and the acquisition of a new language for students in the SCSD dual language program.

This program includes weekly field trips and community celebrations.

Steps to the Seal Academy (K-5)

July 7-August 8

Mon-Fri, Afternoon Enrichment Block
Summer Site: Dr. Weeks and Webster (open only to Dr. Weeks/Franklin or Salem Hyde/LeMoynes/Webster summer school students)
