

Save your days!

There are many important reasons to save your sick and/or personal days. Here are a few:

1. Disability plan

The district does not have established disability plans or NYS disability insurance for employees. In the event of a catastrophic injury or unanticipated illness, your days can be used to cover an unforeseeable event.

2. Personal day rollover

The unused personal days rollover into your accumulated sick leave balance at the end of each school year.

3. Retirement incentive

Most of the union contracts now include language to pay out remaining sick days at the time of retirement.

Recommendations:

1. Schedule doctor appointments after regular school hours, on school recess breaks or during the summer months.
2. Consider asking other family or friends to be a stand-by, if needed, to assist with childcare coverage when ill or on snow days.

it leads to increased student achievement!
