

STEAM

**Are you the
type of person
who'd rather
be running the
production,
instead of
being on the
stage?**

The Music, Movie
and Theater
Production
Pathway may
be for you!

Music, Movie and Theater Production

Students will learn techniques used by industry professionals through a project-based approach to instruction which incorporates direct experiences with technical theater skills and professionals. Key areas of instruction and experience include: elements of design; set design/dressing and construction; wardrobe and costume design and production; audio and lighting design and implementation; production, stage and front of house management; analysis of technical requirements.

Career Opportunities (Per Year)

- Set Design and Construction Technician - \$44,983
- Lighting Design Engineer - \$89,940
- Audio and Sound Engineer - \$59,040
- Theater Production Manager- \$77,537
