

Navy National Defense Cadet Corps (NNDCC)

PSLA at Fowler CTE Pathway

The Career Field: The mission of Navy National Defense Cadet Corps (NNDCC) is to instill in students the values of citizenship, service to the United States, personal responsibility and a sense of accomplishment. Some of our students are interested in serving our country in the U.S. Navy or attending the Naval Academy, but our program can benefit any student.

The Program: As a NNDCC cadet at the Public Service Leadership Academy at Fowler, students can participate in their educations and learn to be better citizens. The program provides them with the tools and skills needed to succeed in high school and, more importantly, help them be successful in life. NNDCC benefits include:

- » Development of leadership potential
- » Promotion of community service
- » Development of a high degree of personal honor
- » Self-reliance, individual discipline and leadership
