Dear Anthony Q. Davis:

Your career and technical education (CTE) program re-approval application has been approved. Congratulations on the successful completion of the re-approval process for Culinary Arts, Classification of Instructional Programs (CIP) code, 12.0599. Use this CIP code for all data collection pertaining to this program.

Re-approval is granted for the 2023-24 school year. As long as the approved components and appropriately certified staff remain in place, this program re-approval remains in effect until June 30, 2028. Technical endorsements may be added to the diplomas of students completing this program for this re-approval period beginning with the graduating class of 2024.

Your program is approved for one unit of integrated English Language Arts.

This program approval neither constitutes nor implies approval for eligibility decisions for training funds from any source. Requests for approval to access such funds must be directed to the person or agency responsible for those funds.

The Department should be informed of any significant modifications (e.g., changes in technical assessment, teacher, or program content) of this program. Staff are available for consultation should you require technical assistance (please refer to your SED program number, 00893). You will be notified if your program is selected for a site visit in the future.

Best wishes for the continued success of this program.

Sincerely,

Deborah Reiter  
Bureau Chief
