**Are you a
detail oriented
individual who
prefers hands-
on tasks and
troubleshooting
problems?**

The HVACR
Pathway may
be for you!

Heating Ventilation Air Conditioning Refrigeration Clean Energy (HVACR)

This program teaches students the essential skills needed to begin a career in the HVACR trades. Students will gain real-world knowledge and hands-on experience in the fundamental components of heating, ventilation, cooling, and refrigeration systems that control the temperature and air quality in buildings, print reading, electrical wiring, proper tool use, and OSHA safety training.

Career Opportunities (Per Year)

- Boilermakers - \$71,140
- HVACR Technician - \$64,310
- Plumbers, Pipefitters, and Steamfitters - \$61,550
- Sheet Metal Workers - \$58,780
