

# NOTTINGHAM

Are naturally  
creative?  
Do you like  
collaborations  
and have a  
good eye for  
compelling  
design?

The Creative  
Expression and  
Design Pathway  
may be for you!

## Creative Expression and Design

Students in this program will work with professionals from the Syracuse University School of Design on projects and skill building beginning in 9th grade. Students will use state of the art equipment with industry standard software to design, build and present project prototypes and design ideas.
