

**PSLA**

**Do you  
enjoy  
making  
things work?  
Do you want  
to work both  
indoors and  
outdoors? Do  
you like solving  
problems and  
exercising your  
brain while  
working with  
your hands?**

The Electrical  
Trades Pathway  
may be for you!

## Electrical Trades

From designing lighting systems to installing street lights and intercom systems to learning about the latest renewable energy concepts including solar, wind and geothermal technologies — this program provides the hands-on skill development and technical training you need to secure entry-level employment (or higher) in the electrical trades field.

### Career Opportunities (Per Year)

- Electrician - \$60,656
- Transmission Technician - \$53,724
- Lineman - \$71,778
- Residential Wireman - \$45,801
