**Do you dream
of anchoring
a news desk?
Do you dream of
working behind
the scenes
as a camera
operator/
programmer?**

The Media
Communications
Pathway may
be for you!

Media Communications

Students learn to work in a professional television studio while being involved in operating the school's news and communication network including announcements, social media, news magazines and web presence. Projects are supplemented with reading, writing, lectures, demonstrations, videos, online research and critiques.

Career Opportunities (Per Year)

- Film Maker - \$82,510
- Graphic Designer - \$58,910
- News Anchor - \$57,491
- Photographer/Reporter - \$53,800
