August 26, 2024

Anthony Davis
District Superintendent
Syracuse City School District
725 Harrison Street
Syracuse, New York 13210

Dear Anthony Davis:

Your career and technical education (CTE) program re-approval application has been approved. Congratulations on the successful completion of the re-approval process for Medical Assisting, Classification of Instructional Programs (CIP) code, 51.0801. Use this CIP code for all data collection pertaining to this program.

Re-approval is granted for the 2024-25 school year. As long as the approved components and appropriately certified staff remain in place, this program re-approval remains in effect until June 30, 2029. Technical endorsements may be added to the diplomas of students completing this program for this re-approval period beginning with the graduating class of 2025.

Health sciences programs requiring approval to operate (Dental Assisting, Emergency Medical Services, Home Health Aide, Nurse Assisting, and Practical Nursing) are required to maintain operational approval throughout the program approval period. Operational approval is an additional approval process that is distinct from the NYSED CTE program approval that this letter confers. More information about operational approval is found at <http://www.nysed.gov/career-technical-education/health-sciences-program-approval-information>.

Your program is approved for one unit of integrated English Language Arts. Your program is also approved for a one-unit specialized course in science.

This program approval neither constitutes nor implies approval for eligibility decisions for training funds from any source. Requests for approval to access such funds must be directed to the person or agency responsible for those funds.

The Department should be informed of any significant modifications (e.g., changes in technical assessment, teacher, or program content) of this program. Staff are available for consultation should you require technical assistance (please refer to your SED program number, 01331). You will be notified if your program is selected for a site visit in the future.

Best wishes for the continued success of this program.

Sincerely,

A handwritten signature in blue ink, appearing to read "Deborah Reiter", with a stylized flourish at the end.

Deborah Reiter
Bureau Chief
