

PSLA

**Are you goal-oriented?
Do you enjoy working with others and think you can be a leader?
Do you like extracurricular activities, community service and setting an example for others?**

The Navy National Defense Cadet Corps Pathway may be for you!

Navy National Defense Cadet Corps

The mission of Navy National Defense Cadet Corps (NNDCC) is to instill in students the values of citizenship, service to the United States, personal responsibility and a sense of accomplishment. Some of our students are interested in serving our country in the U.S. Navy or attending the Naval Academy, but our program can benefit any student.

Career Opportunities (Per Year)

- Military Careers - \$39,338
- Aviation Careers - \$52,329
- Engineering Careers - \$67,849
- Health Care - \$91,943
