The Urban
Teacher
Preparation
Pathway may
be for you!

Urban Teacher Preparation

Students in the program will learn about and practice the unique skills required to be a successful educator in a diverse urban environment. They will develop an understanding of teaching and learning through hands-on lessons, work-based experiences, and specialized coursework.

Career Opportunities (Per Year)

- Classroom teacher (K-12) - \$69,597
- Teaching assistant (K-12) - \$35,550
- School Administrator - \$112,468
- Coach - \$45,910
