Kindergarten Supply List

2021-2022

Please label your child's backpack, spare clothing and all personal belongings with his or her name. In order to minimize the spread of germs, each student will need to keep their own supplies. We will sanitize items such as glue sticks and markers before giving them to each student to keep in their personal box.

- His/her own full sized backpack -every day (labeled w/name)
- A spare set of clothes including underwear (in a labeled ziploc bag please - they can leave this in their backpack.)
- Black dry erase markers (one 8-pack or two 4-packs)
- Glue sticks (4 or 8-pack)
- Two boxes of tissues
- Clorox wipes
- Headphones with a microphone in a Ziploc bag labeled with your child's name. (Dollar store headphones tend not to last - if they even work at all.)
