It is our intent to have these choices available to all students at all times, however, there may be occasions when choices are limited. Fresh Fruit may be substituted for other fresh fruit based on seasonality of items and availability. All five meal components must be offered. For bagged supper on M/W/F, students must take a bagged meal and milk variety is offered as an optional side. For hot dinner on T/TH, students must select three components. All grain components offered meet whole grain rich criteria.
