

Dear families of Casa 107,

Below please find the supply list for our classroom, Casa 107.

One of the hallmarks of the Montessori environment is to foster independence in children. They often say, **“Help me to do it by myself!”**

We want to set children up for success, and help them become independent in the classroom, which includes self-care. This can only be done with your help!

To that end, children need to come to school in **sneakers** (boots in inclement weather) that **slip on and off**.

NO TIE SHOES PLEASE!!

For safety as well as independence, the sneakers your child wears to and from school, as well as the shoes they keep at school as their “indoor shoes” must:

- **slip on and off**
- **have a hard sole**
- **have a closed toe and heel**

“Crocs” type shoes with a heel strap are OK for indoor shoes.

Shoes worn to and from school are also worn for outdoor play, and need to be **slip on or Velcro®-closure sneakers**

Thank you!

Ms. Robin

- **Masks** (2+ per day)
- **Water bottle** (fill at home each morning-water only!)
- **Backpack** full size: large enough to hold a standard 2-pocket folder
- **Complete change of clothes** including socks and underwear (to be kept at school)
