Syracuse City Schools

November 2022

Principal's Message:

Greetings Montessori at LeMoyne Families,

Fall has arrived and we are finally settling into the school year completely. We have had a lot going on and many things are also upcoming. The classes have begun the district sponsored field trips in grades 1-5. Classes are taking trips to the Rosamond Gifford Zoo, Baltimore Woods, Everson Museum as well as the M.O.S.T. The SCSD partners with these organizations to provide these trips and enrich the educational experiences of our students. We also have Syracuse Stage coming in to perform the show "The Miraculous Journey of Edward Tulane" for our Lower and Upper Elementary classes on 11/10.

Parent conferences are scheduled for 11/8 from 8:30am-5:15pm. If you haven't had one scheduled you can contact your child's teacher to do that. There are report cards for the Lower and Upper Elementary students. The Primary report cards are only done by semester (January and June) but you will hear about their progress. Feel free to ask for a copy of a blank report card to prepare yourselves for the conference. This might help you know what questions to prepare ahead of time.

November is a short month of school but we will be making the most of it. We have spirit week scheduled for the week of the 7th. You'll get a detailed calendar for that. We will continue our Second Step emotional learning lessons and we are working hard to target instruction to the needs of the students based on their screening data from the start of the year. Having consistent school attendance gives us the best chance of making the most progress with the students. We want to see every student, everyday! We continue to have some of the best attendance and performance rates in the SCSD so thank you for making this work a priority!

Thank you,
Mr. Armstrong
