- Post-Secondary Articulations Agreements

The Self-Study Process

The self-study is an important step in the career and technical education approval process and provides for an in-depth evaluation of the program of study. Its purpose is to bring together primarily internal stakeholders to review the CTE program and propose relevant modifications.

[NYSED Self-Study Process](#)

Program Information

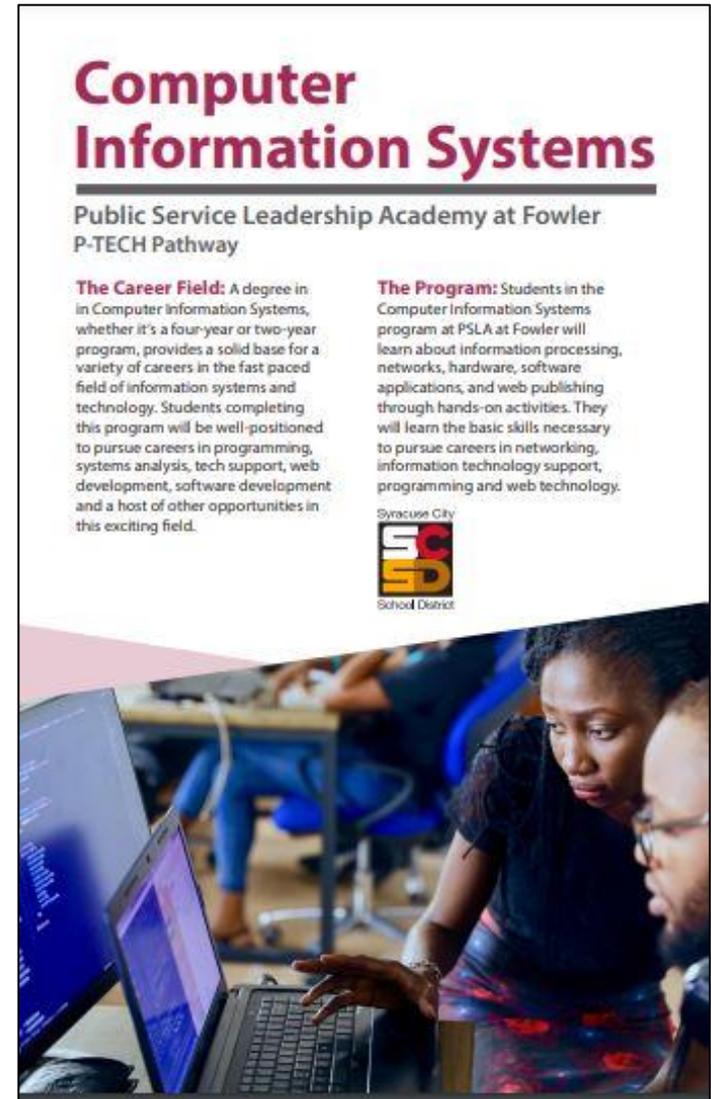

The Computer Information Systems program provides students with the opportunity to learn the fundamentals of information processing, networks, hardware, software applications, and web publishing toward the goal of earning college credits and an Associate's degree in Computer Information Systems from Onondaga Community College.

Students will learn about common software packages for word processing, spreadsheets, databases, digital imagery and design, and desktop publishing and will use their skills to create authentic products for themselves and the community. Students will carry out computer and technical equipment maintenance and environmentally responsible hardware recycling.

Students will explore and apply the concepts of digital citizenship. Within this curriculum students will have the opportunity to earn Precision Computer Systems I Certification along with CTE Endorsement and college credits.

Students who successfully complete the Computer Information Systems pathway will be prepared for entry level careers or further education and training in programming, systems analysis, tech support, web development, software development and other opportunities in the computer information field.

Computer Information Systems

Public Service Leadership Academy at Fowler
P-TECH Pathway

The Career Field: A degree in Computer Information Systems, whether it's a four-year or two-year program, provides a solid base for a variety of careers in the fast paced field of information systems and technology. Students completing this program will be well-positioned to pursue careers in programming, systems analysis, tech support, web development, software development and a host of other opportunities in this exciting field.

The Program: Students in the Computer Information Systems program at PSLA at Fowler will learn about information processing, networks, hardware, software applications, and web publishing through hands-on activities. They will learn the basic skills necessary to pursue careers in networking, information technology support, programming and web technology.

Syracuse City
School District

Curriculum

- Level 100 – Level 400
 - Integrated credit in ELA
 - Embedded Career and Financial Management
- NYSED Curriculum Requirements
- NYSED Overview of Integrated and Specialized Academic Credits
- NYSED Career and Financial Management Framework

Program Data

Program Data		
What is the total anticipated enrollment in this specific CTE program for each academic year?	Of this total, what is the anticipated enrollment for students with an IEP plan?	Of this total, what is the anticipated enrollment for students with Section 504 plan?
Grade 9: 28 Grade 10: 28 Grade 11: 28 Grade 12: 28 Cumulative Total: 112	Grade 9: 3 Grade 10: 4 Grade 11: 2 Grade 12: 4 Cumulative Total: 13	Grade 9: 0 Grade 10: 0 Grade 11: 1 Grade 12: 1 Cumulative Total: 2

This data was compiled using enrollment for the past 4 years of running our Computer Information Systems programs as a local program.

Career Outlook

U.S. BUREAU OF LABOR STATISTICS

Quick Facts: Computer Systems Analysts	
2021 Median Pay 	\$99,270 per year \$47.73 per hour
Typical Entry-Level Education 	Bachelor's degree
Work Experience in a Related Occupation 	None
On-the-job Training 	None
Number of Jobs, 2021 	538,800
Job Outlook, 2021-31 	9% (Faster than average)
Employment Change, 2021-31 	50,900

Certificate Available Yes													

Work-based Learning

SCSD Work-based Learning

Students will be connected with working computer science professionals in the community through Career Coaching, field trips and job shadowing which could lead to further opportunities for direct job training and realworld experience. Students will create and maintain a portfolio of their work-based learning experiences throughout the program to document the development of their skills.

Employability Profiles

Employability Profiles:

- Industry Based Skill Standards
- Career Development Standards

Advisory Council Members

- Doug Kellar, Vice President, Presentation Communication Collaboration
- Ethan Tancredi, Director of Syracuse Region ICS
- Sheila Scilia, Assistant Professor of Computer Studies Onondaga Community College
- Carl Thompson, Upstate University Hospital IT Department
- Jennifer Thornton, Director of Human Resources, Terakeet
- Cailee Garm, TCG Player

NYSED Employability Profile Requirements

Post-Secondary Articulation Agreement

Our Computer Information Systems program has articulation agreements with Onondaga Community College

**Articulation Agreement
between
Syracuse City School District (SCSD)
726 Harrison St, Syracuse, NY
and
Onondaga Community College
4586 West Seneca Turnpike, Syracuse, NY**

The signatories of this articulation agreement, Syracuse City School District (SCSD) and Onondaga Community College (OCC), declare their intention to participate in a partnership for the purpose of delivering educational instruction to eligible students. The parties to this agreement have reached the following understanding:

- 1. Term**

The term of this agreement shall be for five years from July 1, 2023 – June 30, 2028 and subject to the following conditions:

 - Both parties have the option to extend this Agreement for one (1) additional five-year period giving written notice to the College no later than ninety (90) days prior to the expiration date.
- 2. Modification and Waiver**

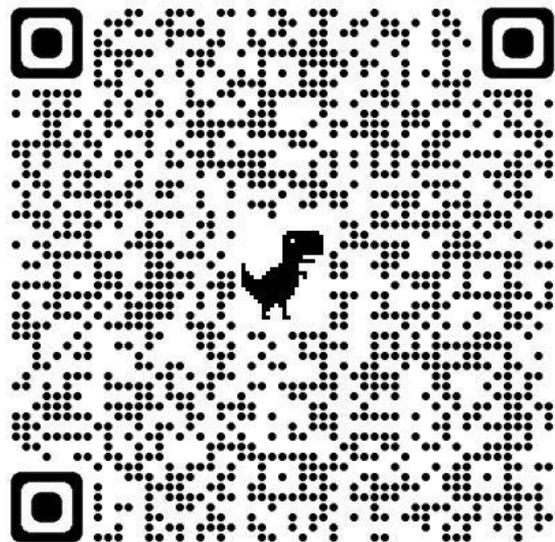

No waiver or modifications shall be valid unless it is in writing and signed by OCC and SCSD.
- 3. Curriculum and Courses**
 - Students who have enrolled in the Computer Information Systems program at Syracuse City School District will be eligible to enroll in College Credit Now and earn credit for:
 - CIS 100, Information and Computer Literacy, through the Onondaga Community College, College Credit Now Program, subject to an annual Memorandum of Understanding and the availability of a credentialed high school instructor or an OCC faculty member to teach the course on-premises at the Public Service Leadership Academy.
 - The above course offered through the OCC College Credit Now Program is an elective option for the Computer Information Systems, A.A.S. degree at OCC.
 - Tuition for concurrent enrollment courses will be incurred according to all applicable requirements in place by the State University of New York. For courses taught by Onondaga Community College faculty, the Syracuse City School District will additionally incur the cost set by annual Memorandum of Understanding between SCSD and OCC.
 - Students will be assisted in the course registration process by OCC. Students will also be supported in the admission process to Onondaga Community College through a specialized workshop and the Office of Student Recruitment.
- 4. Students**
